

Russ and Linda Wiedner

Their story begins a long time ago when Russ and Linda met through friends. Actually Russ knew Linda's brother before he met her. They have been married for 35 years and have a daughter Kelly and her husband Justin. Kelly and Justin have triplet boys!

Russ is one of the oldest (not by age) members of RRJ. He has been a member since October 2003 and is number 217. Russ and Linda have lived in St. Charles for about the last 30 years. Russ is a maintenance mechanic and is employed by Dallas Plastics in Wentzville, Missouri. Russ has been riding a motorcycle since he was 19, and according to his math that is about 39 years. Since that time he has had numerous bikes including a couple of 650 Triumphs and a couple of Kawasaki. He sold the last one after he got married. He currently rides a 2003 Royal Star Venture.

Russ likes to ride as often as he can and a short trip around town could be up Hwy 79 or out Hwy 94. When he is on a ride and wants to stop for a bite to eat Cowan's in Washington, MO is a good place to stop. He has traveled a lot on his bike including 3 trips to North Carolina, Arkansas, Ohio, Indiana, and is looking forward to the Chapter 9 trip to South Dakota this year. His favorite memories are the Chapter trips that he has taken.

Russ and Linda attend Ridgecrest Baptist Church in St. Charles, Mo.
