

Shawn Darnell

Shawn and his wife Chris met when they were in high school and have been married for 21 years. They have two girls, Emily who is 13 and Sarah 11 years old. He has lived in St. Charles since 1983 and came from Tennessee prior to that. He is co-owner of Westover Graphics.

Shawn has been riding for a long time, off and on since he was 10 years old. He currently rides a Honda VTX 1300, riding at least one or two times a week. He likes traveling out Hwy 94 towards Augusta and stops at any restaurant that has pie!

He has been a member of Road Riders For Jesus Chapter 9 since 2005.

When asked if he has taken any long trips on his motorcycle he stated that he has been back and forth to Tennessee to see his brother and has also been on three week long trips with RRJ Chapter 9. His favorite memory of a chapter trip is when he had to ride on the back of Greg Perrault's bike because he had a flat. They got some good looks and, boy was he embarrassed. Some of Shawn's other interests include, working around the house. He had someone frame out a 3rd car extra deep garage in which he finished it up. This gave him the confidence to build a four-season room a couple of years ago. He also has done some wood working like bookshelves, coffee tables, and an entertainment center. He would like to make all new kitchen cabinets but he doesn't know if his wife will have the patience for that.

Shawn attends Harvester Christian Church and thinks one of the great things about his church is that there are lots of different activities and worship opportunities.
