

Pete & LuAnn Petri

Introducing Pete and LuAnn Petri. Pete has been a member of Road Riders For Jesus since March of 2005 and is #394. Pete and LuAnn met at their church, Harvester Christian Church, through bible study and choir. They stated that they have been married for 2 years and 4 months. (Newlyweds, because they added the months along with the years). Pete has 2 daughters and LuAnn has 2 sons, and there are 2 grandchildren Amanda and Mike Nowack. They have lived in St Charles for 36 years. They currently own a 2006 Yamaha V Star Silverado. Pete's been riding 6 years (this time) and rides as often as he can, but not enough! When they do ride they like to ride throughout St Charles county and along the river. When asked where their favorite food stop was, they stated "Anywhere there is food!"

Pete and LuAnn Petri

Pete has taken three long trips to the Smokey Mountains which have included Deals Gap, and "The Tail of the Dragon". One of his favorite memories is the first trip to the dragon with Chapter 9. They love their church and are active members of the choir and other events. They think Harvester Church is special because of its size and constant growth through outreach to the community.
